

# "500" SERIES

## HEAVY DUTY SLANT BAR FEEDER PANELS

The 2W "500" Series Heavy Duty Slant Bar Feeder Panels are designed for livestock fence line feeding applications. These panels connect via 2W's "500" Series Heavy Duty Connecting Posts and can be placed together to fit a bale. The panels have ¼" thick puck board on the bottom, stand 6' tall, and the feeder spaces are 17" wide. These Feeder Panels can be connected to existing "500" Series equipment and corral systems. These panels boast the same high strength properties as the rest of the "500" Series line-up.
