

“LEMSCO” SERIES MEDIUM DUTY GATE-IN-FRAME

The 2W “Lemsko” Series Medium Duty Gate-In-Frames are a medium weight entry gate that is designed for entry into medium stress corral systems. This gate in frame connects to all other “Lemsko” Series products.

Made from 14 Gauge - 1½” Diameter Round Steel Tube that is laser saddle cut and robotically welded - these medium duty gates utilize the same manufacturing practices as 2W’s “400, 500, 600” Series Heavy Duty products. These gates are powder coated in 2W’s standard Dark Gray.
