

"DIAMOND RANCH" SERIES LIGHT DUTY FENCE LINE GATES

The 2W "Diamond Ranch" Series Light Duty Fence Line Gates are a popular lightweight gate designed for low pressure gateway applications. Constructed from the same materials as the 2W "Diamond Ranch" Series Light Duty Panels, these gates have the advantage of inheriting the same gate hinges as 2W's Heavy Duty "400, 500, 600" Series Corral Gates. This ensures that these gates will remain securely anchored during the life of the gate. These gates inherit 2W's high quality manufacturing practices and offer livestock handlers a cost effective & lightweight solution to fence line gate applications.
