

## "500" SERIES HEAVY DUTY ARENA PANELS

The 2W "500" Series Heavy Duty Arena Panels are designed for use in rodeo arenas and systems. These panels are an ideal choice for heavy duty round pens, practice arenas, or pens. Constructed using 13 Gauge - 2" Diameter Round Steel Tube for the uprights and 14 Gauge - 2" Diameter Round Steel Tube for the cross rails, these panels boast the same high strength properties as the 2W "400, 500, 600" Series Heavy Duty Panels. These panels do not require connecting posts and utilize a post pin connecting system.
