

# CONTINUOUS FENCE PANELS AND RAILS

2W's popular **Continuous Fence Panels & Rails** offer property owners a durable, cost effective, and easy to install solution to property fencing. The **Continuous Fence Panels** come standard in 20 foot lengths, 4 foot high, with five vertical crossmember reinforcement rails per panel. The ends of the panels come "Swedged" so that each panel easily connects to one another. **End caps, 145 degree round corners, and 90 degree corners** are available as well with **mounting brackets** that allow fixing panels to wooden or metal posts. **These panels come standard unpainted, but paint options are available.**

The 2W Continuous Fence is a **practical, simple, long lasting, and cost effective** solution for large scale livestock or general property fencing applications.
