

# RESIDENTIAL MODULAR CONTINUOUS FENCE

Expanding the diverse lineup of 2W products, the **Residential Modular Continuous Fence** brings the quality and durability of 2W's livestock handling equipment - right to your home. Constructed from high strength square tubing, board inserts are precision laser cut into the frame allowing for an easy installation and replacement of boards.

A major feature of this product line is its versatility allowing the use of mesh frame, wood insert, or puckboard. Its modular design also allows for afternoon installation.
